

MARKETPLACE

DESIGN ELEVATED. VALUE AMPLIFIED.

MARKETPLACE A Division of Childs Dreyfus Group brings more than 60 years of interior architecture leadership to every engagement, pairing deep design expertise with solutions built for affordability without compromising integrity. Our scalable service options range from curated product packages to full implementation support, giving you the flexibility to meet fast timelines and lean budgets with confidence. As a partner, we understand community identity, resident priorities, and market expectations — ensuring every space feels intentional and aligned with its environment.

Why Marketplace

MARKETPLACE A Division of Childs Dreyfus Group brings the design thinking and market insight of Childs Dreyfus Group to projects that need smart, cost-conscious solutions. We help owners and developers

create spaces that feel intentional, perform operationally, and support long-term asset value.

Build For Value

Affordable, thoughtful, and high-performing design backed by a team that knows how to deliver on both vision and value.

How We Do It

We combine decades of design expertise with a performance-driven approach to deliver smart, scalable solutions. By aligning design with budget, operations, and real resident behavior, we create spaces that lease efficiently, operate effectively, and deliver long-term value.

MARKETPLACE a Division of The Childs Dreyfus Group Delivers Affordable Design Solutions That Perform.
