

INTERIOR SENIOR DESIGNER

JOIN AN AWARD-WINNING RIVER NORTH CHICAGO INTERIOR DESIGN FIRM

Design with detail and distinction in your role of Senior Designer for The Childs Dreyfus Group. With a passion for public spaces, Senior Designers excel at creating a narrative with custom touches, elite project management and the ability to juggle multiple priorities. Designers should be self-motivated and enjoy high-profile projects. Potential travel for installations in Boston, Chicago, Miami, New York, San Francisco and more.

Flexible work environment. Competitive salary, health and dental, 401(k).

WHAT YOU'LL DO

- Work with Principal, Account Executive and New Business Development team to evaluate client needs and effectively document design objectives and spatial requirements
- Establish and provide direction on design concepts for national projects
- Create graphic presentation and 3D renderings for clients; prepare documents for client meetings; coordinate construction and interior design schedules and documents with contractors, architect, lighting consultant and engineers
- Select furniture, light fixtures, finishes, materials and fabrics, hardware, art, accessories, and color palettes in line with client budgets and quality expectations
- Prepare budget presentations and status reports
- Direct and supervise Junior Designers; manage and supervise projects through construction administration and review
- Supervise installation and operation on site

WHAT YOU'LL NEED TO SUCCEED

- Bachelor's degree in Interior Design. Master's degree a plus!
- 5+ years' experience in the field of interior design
- Experience with Revit, Adobe Photoshop, AutoCAD, PowerPoint, Microsoft Office
- NCIDQ Certification or currently enrolled
- Motivation, creativity, desire to work in fast-paced environment
